DEMOGRAPHICS

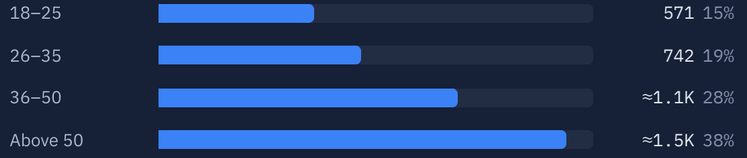

Customers skew older and male

Over 50 is the largest age group at about 38%, and men are 68% of customers. Women are the smaller group and the clearest room to grow.

Customers by age

Customers per group

Customers by gender

Male 68% · 2.7K
Female 32% · 1.2K

Recommended actions

SEGMENT	CUSTOMERS	ACTION	TRACK
Age 18–25	571	Student discounts, trend-led drops and affordable bundles.	Discount redemption rate
Age 26–35	742	Lead with quality and convenience: fast delivery and family-oriented bundles.	Repeat purchase rate
Age 36–50	≈1.1K	Show premium ranges and loyalty programs for higher disposable income.	Average order value
Above 50	≈1.5K	Largest group. Offer health and leisure products with senior discounts.	Sales per customer
Male	2.7K	Men's fashion, sports equipment and grooming.	Share of sales
Female	1.2K	Fashion, beauty, wellness and family items. Grow this smaller base.	New female customers

PURCHASE BEHAVIOR

Spend is split evenly, and most buyers come back often

About 25% of customers are high spenders (over $80 per purchase). 56% of customers buy at least monthly.

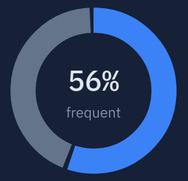

Spender tiers

By purchase amount

Purchase frequency

Frequent means monthly or more often

Frequent buyers 56% · 2.2K
Occasional buyers 44% · 1.7K

Recommended actions

SEGMENT	CUSTOMERS	ACTION	TRACK

High spender (>$80)	978	VIP perks: early access to new products, premium ranges and personal service.	Retention rate
Moderate ($51–80)	1.4K	Offer early access and exclusive items to move them up a tier.	Upgrade to High tier
Low (≤$50)	1.5K	Value deals, discounts and affordable bundles to lift basket size.	Average order value
Frequent buyers	2.2K	Points system, special offers and early sale notifications.	Points redemption
Occasional buyers	1.7K	Reminders, special discounts and incentives to repeat.	Second-purchase rate

PSYCHOGRAPHICS

38.2% of customers are dissatisfied

That is about 1.5K customers rated below 3.5. Win them back first: they already buy, so the work is fixing the experience.

Price sensitivity

Price-sensitive means a discount and a promo code were both used

Premium shoppers	56% · 2.2K
Price-sensitive	44% · 1.7K

Customer satisfaction

Satisfied means a review rating of 3.5 or higher

Satisfied	61.8%
Dissatisfied	38.2%

Recommended actions

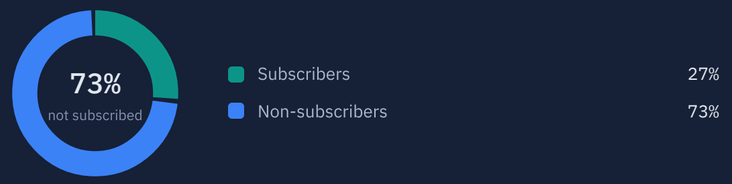

SEGMENT	CUSTOMERS	ACTION	TRACK
Dissatisfied WIN BACK	≈1.5K	Win-back campaign: a personal fix for each issue, a feedback request and a targeted discount.	Rating recovery, reactivation rate
Satisfied	≈2.4K	Loyalty rewards and a referral program to encourage repeat purchases.	Referrals per customer
Price-sensitive	1.7K	Discount offers, flash sales and budget-friendly recommendations.	Margin after discount
Premium shoppers	2.2K	High-end products and exclusive memberships.	Membership sign-ups

SUBSCRIPTIONS

Nearly three in four customers are not subscribed

73% of customers (≈2.85K) are non-subscribers. Converting 10% of them would add about 285 subscribers.

Subscription status

Recommended actions

SEGMENT	ACTION
Subscribers	Exclusive content and special renewal offers.
Non-subscribers	Free trials, a discount on the first purchase after subscribing, and added services.

Source: Users shopping dataset, 3,900 customers, no missing values. Counts above 1K for the two oldest age groups and for spender tiers are read from the rounded chart labels in the original report, so shares are approximate. Sales for the previous period are as shown in the original KPI dashboard. Spender tiers use purchase amount cut-offs of $50 and $80. Satisfied means a rating of 3.5 or higher.
